

Horizon Acres Calf Creep

Supplemental Feed for Suckling Calves

- ✓ **Premium Formula:** Formulated to provide premium nutrition to young calves
- ✓ **High Quality Proteins:** Manufactured with highly digestible proteins to support muscle growth and weight gain as cow milk production declines
- ✓ **High Energy:** Blend of digestible energy from grains and oils
- ✓ **Vitamins and Minerals:** Enhanced with vitamins and trace minerals to support the immune system
- ✓ **Pelleted:** Reduces fines and sorting along with increased flowability in feeders
