

Horizon Acres Commodity Blend

Protein and energy supplement for all classes of beef cattle.

- ✓ **Natural Protein:** 14.0% natural protein with no added non-protein nitrogen
- ✓ **Energy Dense:** Blend of digestible fiber and starch for maximum energy density
- ✓ **No Fillers:** Contains only digestible sources of protein and energy.
- ✓ **Macro Minerals:** Added calcium to balance high phosphorus present in by-product feeds
- ✓ **Pelleted:** Reduces fines and sorting
